

Mackay Computer Services

Summary of Mail Server Settings

The SMTP (outgoing server settings) should always be set to the ISP you are using. If you are using MCS internet then following settings will apply;

Service Description	Incoming (POP) server	Outgoing (SMTP) server
MCS Dial-up (0198307176)	pop.mcs.net.au	smtp.mcs.net.au
MCS Wireless Broadband	pop.mcs.net.au	mail.mcs.net.au
MCS ADSL Broadband	pop.mcs.net.au	mail1.mcs.net.au

There is now one number for all dialup customers:
0198 307176
